Mr Bus. Clarkson

Jeanette Pa.

Dear Bus:

I just received your telegram. I am of course dissapointed to learn you will not be in Newark today. I had been expecting you since morning. I explained to you on the phone, we are playing in Richmond Sunday. I wish very much you were here, as we do not have any more men than we need. Due to the fact you are so late comming east I think it will be better to go directly to Richmond. The team is staying at Union College. They can also be contacted through Mr Joe Miles at the Colored Elks home on Second St.

I am enclosing your contract. Sign and return one, and keep the terms very confidential.

I expect you to join the club in Richmond for the game Sunday. I hope your father is better by now.

Very Truly Yours
